Audition Policy- Enrollment begins on December 1. We will accept the first thirty two students (as cast members) and five (as crew members) who turn in their completed forms and deposit. Once we have a full cast and crew, enrollment will be closed and anyone applying late will be placed on a waiting list for our next production. Please send your completed information to our mailing address- 4061 Jackdaw Street, San Diego, CA 92103. Please do not drop off or mail your forms to the church.

Auditions- Once you have enrolled, we will call you to set up an audition appointment. Appointments are ten minutes long, and slots can be reserved for either January 5th or 7th between 4:00 and 6:30. Although we do ask every student to audition, PCT auditions are meant to be as low pressure as possible especially for our newest students. Our auditions are more like assessments since everyone who auditions gets in the play. For *Annie Jr.*, we are asking every cast member to prepare up to a one minute song and bring either sheet music or a cd with background music; we highly discourage singing a capella (without background music). In addition to singing, our choreographer will teach a very short and simple dance section.

Callbacks- Callbacks are on January 9th from 4:30-6:30 and all cast and crew members are called. Callbacks are a cross between a second audition and a first rehearsal. Students will get to know their cast mates, sing a song from the show, and learn a little more of the dance routine that they learned at auditions.

Parent Meeting- We are having our parent meeting, right after Callbacks, on January 9th from 6:30-7:00. At the meeting, you will get a chance to meet the production team, learn about the production process, ask questions and sign up for volunteer committees (not a requirement). Students are welcome at the meeting. Please plan to attend especially if this is your first PCT show; it really helps get the production off to a smooth start.

Casting- After the parent meeting the production team will sit down, and cast the show. Casting the show is the most difficult part of the whole production process, because it often means choosing between many wonderful children for a few main parts. Our goal is to give every student a time to shine. The cast list will be on our website by 5:00 on Saturday, January 10th on the upcoming semester page.

Rehearsals- At the first rehearsal (January 12), you will receive a detailed rehearsal schedule letting you know which days your child should attend rehearsal. Please note that every child must attend tech week and all production dates.

Conflicts- There is a lot of demand for the 32 cast spots in this show and we will have to turn some students away. Before enrolling check your schedule to make sure you can attend all the rehearsal dates. We can accept students with no more than **3** conflicts with our rehearsal dates (on the front page).
